

CALL FOR PAPERS

Open Access journal “**Computers**” (ISSN: 2073-431X, CiteScore 3.7, Tracked for IF)

Special Issue "**Blockchain Technology – a Breakthrough Innovation for Modern Industries**"

Computers, an Open Access journal (ISSN 2073-431X, CiteScore 3.7, Tracked for IF) is pleased to announce an important Special Issue "**Blockchain Technology – a Breakthrough Innovation for Modern Industries**":

https://www.mdpi.com/journal/computers/special_issues/N6Y9T25N3V

Ph.D. Dr. Nino Adamashvili (the University of Foggia), **Prof. Dr. Caterina Tricase** (the University of Foggia, Italy), **Prof. Dr. Otar Zumberidze** (The Georgian Technical University, Georgia), **Prof. Dr. Radu State** (the University of Luxembourg, Luxembourg) and **Dr. Roberto Tonelli** (the University of Cagliari, Italy) are serving as Guest Editors.

Guest Editors cordially invite you to submit a paper to this Special Issue. It could be a full review or an original research article regarding the challenges and prospective applications of BCT in different industries, discussing technical characteristics of this technology as well as the need for further development in order to fasten its wide adoption.

Computers is fully open access (unlimited and free access by readers) that increases publicity and promotes more frequent citations, as indicated by several studies.

The submission deadline is **20 October 2023**. Papers may be submitted immediately or at any point until the deadline as papers will be published on an ongoing basis. In the case you plan to accept this offer, if possible, we expect to receive your tentative title and submission date.

For further details on the submission process, please see the instructions for authors at the journal website <https://www.mdpi.com/journal/computers/instructions>

Deadline
20 October 2023
