

## CALL FOR PAPERS

Open Access journal “**Sustainability**” (ISSN 2071-1050, CiteScore 3.9, IF 3.251)

Special Issue "**Big Data Analytics and Decision Support for Sustainable Agriculture and Food Safety**"

*Sustainability*, an Open Access journal (ISSN 2071-1050, CiteScore 3.9, IF 3.251) is pleased to announce an important Special Issue "**Big Data Analytics and Decision Support for Sustainable Agriculture and Food Safety**":

[https://www.mdpi.com/journal/sustainability/special\\_issues/225M081RIU](https://www.mdpi.com/journal/sustainability/special_issues/225M081RIU)

**Prof. Dr. Alessia Spada** (the University of Foggia, Italy) is serving as the Chief Guest Editor and **Ph.D. Dr. Nino Adamashvili** (the University of Foggia), **Prof. Dr. Emiliano del Globbo** (the University of Foggia, Italy) and **Prof. Dr. Radu State** (the University of Luxembourg, Luxembourg) are serving as its Co-Guest Editors.

Guest Editors cordially invite you to submit a paper to this Special Issue. It could be a full review or an original research article regarding digital innovations; decision support systems in agricultural practices; how to solve the problems of sustainable agriculture and food production; studying the application of big data analysis tools, decision support systems and other emerging technologies in agricultural practices for obtaining maximum process efficiency; high accessibility to vast data and their practical use toward achieving transparency of the value chain.

*Sustainability* is fully open access (unlimited and free access by readers) that increases publicity and promotes more frequent citations, as indicated by several studies.

The submission deadline is **30 September 2023**. Papers may be submitted immediately or at any point until the deadline as papers will be published on an ongoing basis. In the case you plan to accept this offer, if possible, we expect to receive your tentative title and submission date.

For further details on the submission process, please see the instructions for authors at the journal website <https://www.mdpi.com/journal/sustainability/instructions>

### About “Sustainability”

Sustainability (ISSN 2071-1050, IF 3.251, <https://www.mdpi.com/journal/sustainability>) is a journal published by MDPI. “Sustainability” maintains rigorous peer-review and a rapid publication process.

\*Open Access\* (<http://www.mdpi.com/about/openaccess>): free for readers, with publishing fees paid by authors or their institutions. (<https://www.mdpi.com/journal/applsci/apc>).

\*High Visibility\*: Sustainability indexed by the [Science Citation Index Expanded](#) and [Social Sciences Citation Index](#) (Web of Science), as well as [Scopus](#) and [other databases](#).

\*Rapid Publication\*: Manuscripts are peer-reviewed and a first decision provided to authors approximately 14.5 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the first half of 2020).

\*Publication Charge\*: The Article Processing Charge is **2000 CHF** per accepted paper. However, **there are different possibilities to get the discounts**. Information about APC and possible discounts please see on the following links: [https://www.mdpi.com/apc#discounts\\_apc](https://www.mdpi.com/apc#discounts_apc) and <https://www.mdpi.com/ioap>

If further information is needed, please feel free to contact to Guest Editor Prof. Dr. Alessia Spada ([Alessia.spada@unifg.it](mailto:Alessia.spada@unifg.it)) or Ms. Lyracy Chen ([Lyracy.chen@mdpi.com](mailto:Lyracy.chen@mdpi.com)). We will be more than happy to offer our assistance.
